---

SUMMARY

- Driven and meticulous Computer Science student with hands-on experience in software development and a robust foundation in programming languages including C++, JavaScript, and Java.
- Proven ability to conceptualize, develop, and optimize scalable applications through both academic projects and internships.
- Passionate about applying technical acumen and innovative problem-solving skills in a fast-paced software development environment. Eager to contribute to a dynamic team, continuously learning and adapting to new technologies.

SKILLS

- Programming Languages: C++, Java, JavaScript
- Web Development: HTML, CSS, ReactJs, NodeJS, ExpressJs, Tailwind
- Database Management: SQL, MongoDB
- Tools And Technologies: Git & GitHub, Linux terminal
- Soft Skills: Communication, Problem Solving (150+LeetCode), Leadership, Team Player
- Computer Science: Data Structures and Algorithms, Object Oriented Programming

---

PROJECTS

1. **Weather App**
   - Developed a weather application using ReacJs, integrating real-time API data to display current weather conditions.
   - Implemented dynamic features such as location-based weather updates and search functionality.
   - Designed and optimized a user-friendly UI/UX, ensuring intuitive navigation and responsive layout.
   - Tech Stack: HTML, CSS JavaScript, ReactJs, Material UI
2. **Simon Says Game**
   - Created a memory-based Simon Says game using JavaScript, challenging players to recall and replicate sequences of colors.
   - Developed progressively challenging levels to increase difficulty as the game progresses.
   - Implemented responsive feedback and interactive elements to enhance user engagement and experience.
   - Optimized game performance for smooth animations and seamless transitions between levels.
   - Tech Stack: HTML, CSS JavaScript

EDUCATION

HALDIA INSTITUTE OF TECHNOLOGY, HALDIA   2022-2026
Bachelor of Technology in Computer Science with Specialization in Artificial Intelligence   CGPA: 8.84

Bhartiya Vidya Bhavans, Haldia   2022
XII   Marks:83.4%

Bhartiya Vidya Bhavans, Haldia   2020
X   Marks:88.8
